COBB REINSTATED BY BAN JOHNSON

Eigible to Play in To-Day's Game—Fined \$50 for Attacking Spectator.

Chicago, May 25.—President B. B. Johnson, of the American League, tonight announced the reinstatement of Outfielder Ty Cobb, of the Detroit club, whose suspension for attacking a spectator, who, he said, had insulted him in New York, resulted in a strike by the Detroit players last week. Cobb will be eligible to play to-morrow. In addition to his ten days' suspension he was fined \$50.

Cobb's indefinite suspension in New York ten days ago, resulted in the strike of the entire Detroit team, and threatened to cause war between all the players in the league and the managers. The speedy outfielder had climbed into the grandstand and assaulted a spectator, who shouted insulting remarks at him during the game.

In summing up the case, President Johnson issued a statement to-night in which he said:

"I find that direct responsibility for the unfortunate occurrence rests upon the spectator. Evidence in the form of affidavits shows that the player was the first to employ vicious language in replying to a taunting remark by the spectator. Cobb did not seek redress by an appeal to the umpire, but took the law into his own hands. His language and conduct were highly censurable. As a lesson to the accused and a warning to all other players, I fix the term of suspension at ten days, and impose a fine of \$50. He will be eligible to play on May 26."

Cluster Springs Academy Baseball Team

[Special to The Times-Dispatch.]

Cluster Springs, Va., May 25.—The baseball team at Cluster Springs Academy has had a very successful season. Out of thirteen games played, only five were lost, and in only one did the team suffer a shutout. The first half of the season passed in a whirlwind of success. Six straight games were captured, after which there came a

slump. Kidd, the regular backstop, got his hand badly hurt, and a few games were transferred to outfield for a few games. Another depressing factor was the fact that about this time seven games were canceled on the team. At the close of the season, however, the early enthusiasm and strength were shown. McDermott and Whaley both pitched consistent ball throughout the season. Te-

WOODBERRY FOREST BASEBALL TEAM

[Special to The Times-Dispatch.]

Woodberry Forest, Va., May 25.—The victory over Episcopal High School here last Saturday brought to a close one of the most successful baseball seasons that Woodberry Forest has had in a number of years. Going through a season with ten scholastic games and winning all except one makes a percentage that no other school in the State can compare with, and this alone should entitle Woodberry to the scholastic championship of Virginia. The one game lost was to Fork Union Academy, in a spirited contest, ending 4 to 2. This team was defeated by Miller's School and by McGuire's School, both of whom were beaten out of the race. Woodberry played practically all of the leading schools of the State, sustaining only one defeat, while Fork Union played only a few, and was defeated twice. Fish-

burne leads in the race in the western part of the State, and the victory over them puts Woodberry ahead in that section.

A game was lost to the University of South Carolina and a four and one-half inning contest to a team composed of University of Virginia varsity players and substitutes, but these do not count in the championship race, as do not several games played with teams from neighboring town teams.

The line-up of the team was as follows: P. Miller, pitcher; second base, Patterson; second base, Collins; third base, Chism; shortstop, Grainger; left field, Barton; center field, Horner; right field, Hill and Tanner; pitcher, Priddy, Randolph and Beattie, substitutes.

A large part of the success of the season was due to the pitching of Hill. The batting honors go to Captain Barton, with an average of .310. Collins and Pou follow, with .321 and .315, respectively. Grainger leads the base running, with twenty-two stolen bases. Collins and Barton tie in run-getting, with fourteen each.
